

# PAIS AI Hub

## Collaboration & Sponsorship Prospectus

### Who We Are

The **PIEAS Artificial Intelligence Society (PAIS)** is the premier student-led tech organization at PIEAS University. We are dedicated to bridging the gap between theoretical AI concepts and real-world application through hands-on learning, industry collaboration, and innovation.

### Collaboration Opportunities

We are seeking partners for our upcoming academic year. Your support will directly power:

- **Bootcamps & Workshops:** Practical training sessions on ML, Data Science, and GenAI.
- **Hackathons:** Competitive coding events solving real-world problems.
- **Seminars & Tech Talks:** Industry experts sharing insights with students.
